2. Eligible entries must be the artist's *original* work; i.e. copies, use of copyright protected material and classroom productions are *not* allowed.
3. Members may submit work entered in previous ESAL shows as this venue will draw from a wider audience than our previous exhibits, excluding work that was entered in this show in 2015.
4. 2-dimensional pieces must be appropriately framed and wired. Frames must be in *good repair*. All mats should be *clean* and *fresh looking*. (Check older pieces that may need re-matting!)
5. Art may be for sale or marked NFS. The LAC will take a 30% commission on all sold pieces.
